

# MYTH | SHOR - PRODUCT SPECIFICATION

## EUROPEAN-CRAFTED SCULPTURAL SEAT IN TWO CONFIGURATIONS

### Material Composition

- Structural core made from reinforced glass fiber and bronze patina
- Coated with industrial-grade polyurethane system for durability
- Finished with Ultra-Black polyurethane topcoat (2K) for a deep, refined matte finish
- Suitable for indoor and covered outdoor environments

### Configuration Options

#### 1. Standing Version

- Freestanding configuration using a precision-engineered support frame
- Maintains full sculptural presence without ceiling installation

### Finish & Customization

- Standard finish: Ultra-Black; broze patina;
- Optional customized finishes:
  - Alternative colours
  - Bespoke coatings and fabrics for specific interior concepts

### Dimensions

- Height: 2,18 M
- Width: 1,05 M
- Depth: 0,92M
- Rope length (hanging option included): 3M

### Usage & Performance

- High structural strength and impact resistance
- Designed for long-term visual and mechanical stability
- Resistant to humidity, UV exposure (in covered outdoor locations)
- Easy to clean and maintain
